## President's Report

Happy New Year bromeliad lovers!

I hope that everyone had a great holiday and New Year's. 2019 is going to be another exciting year full of educational speakers, fun, friends and hopefully some interesting garden visits and maybe a swamp walk.

In December we continued with our pot luck style holiday party and I think it was successful. Let me know if you have ideas for the next party. I want to thank Kathleen Hendrick for doing most of the planning and set up. I also want to thank Lee for bringing all the nice bingo plants and Ken for his excellent bingo calling and Mike for getting the bingo app.

I want to thank 2018's board for the hard work and commitment to our society. Most

of our board members are returning for 2019 so we should have another great year.

This month's speaker is our Dave Johnston who will be talking about "New Species and New Hybrids". Dave is one of the most knowledgeable bromeliad guys around and we should expect to see some great information about what's new in the bromeliad world.

The board has agreed to raise the dues this year by \$5. Even with the increase our dues are still lower than Broward and Miami and all the money goes right back into the club.

Enjoy your bromeliads...
