## President's Report

Hello Bromeliad Lovers,

Oktoberfest is here with Halloween just around the corner. Looking forward to the first "cold" front, a great fall sale and the end of hurricane season.

Yes, the Fall Plant Sale at Mounts is right around the corner, November 2 & 3. We need cashiers for both days from 8-4 on Saturday and 9-3 on Sunday. This is an important fund raising event for the club so the help is very important and much appreciated.

We will be announcing the nominations for next year's officers and committee chairs and we'll be taking nominations from the floor.

We are happy to have Ray Lemieux back as speaker. It's been 4 years. He always has a lot to say and clearly knows how to grow bromeliads.

Please bring any nice bromeliads you don't need any more and put them on the raffle table.

Enjoy your gardens, family and friends.
