President's Report

Get ready for another great program from Dennis Cathcart, owner of Tropiflora. Dennis always entertains us with an interesting and educational program about bromeliads and other plants he has collected on his various trips around the world.

As always, he will be bringing lots of good bromeliads for you to buy, so bring some cash and get ready to improve your collection of great plants.

Do you have a special bromeliad that is in bloom that you would like to bring to our "Show and Tell"? Each month we would like to have a bromeliad that either has neat banding or color, or maybe it has a unique bloom or just something rare. Some of us bring plants for "Show and Tell" regularly, it's your turn!!! Bring it on...

And, as always, if you have some extra plants that are nice, bring them in for the raffle table. Last month's raffle table was good but we can do better this month.

Check out this quarter's [FCBS newsletter](#). It's 30+ pages and includes an article that I wrote.

Enjoy your bromeliads...

Program

This month's speaker is Dennis Cathcart from Tropiflora sharing some of his views on his favorite plants.

Dennis will be selling plants.

February Ramble

None scheduled.

Membership

It's time to renew your membership! This is one of the main ways we fund the club's treasury, which helps to pay for great speakers, badge plants and the holiday party. So please see me at the February meeting or mail your dues to me at: Kathy Silverio, 10 Velaire Drive, Boynton Beach, FL 33426. Please make checks payable to: Bromeliad Society of the Palm Beaches. Single membership \$20.00, Family membership \$25.00.

If you need a membership form go to the following link:
